

Natural Landscape

Expertly designed and engineered to mimic the look of a well-groomed, natural lawn.

About Natural Landscape

Natural Landscape is the workhorse in the N2N family. It is by far the most popular choice among homeowners and landscapers. This turf has the same beautiful, full, and lifelike quality as Luxury with less height, making it an ideal solution for countless situations to add a bit of extra to your landscape. This product is still very welcoming to kids and pets and should still be given consideration if you want to maintain a soft touch surface. Imagine stepping off the deck or out of the pool onto maintenance-free, gorgeous green turf...every time.

100% Safe

Our turf is made without harmful chemicals, making it perfectly risk-free for pets and kids.

Low Maintenance

Does not require chemical treatments or fertilizers to maintain its health.

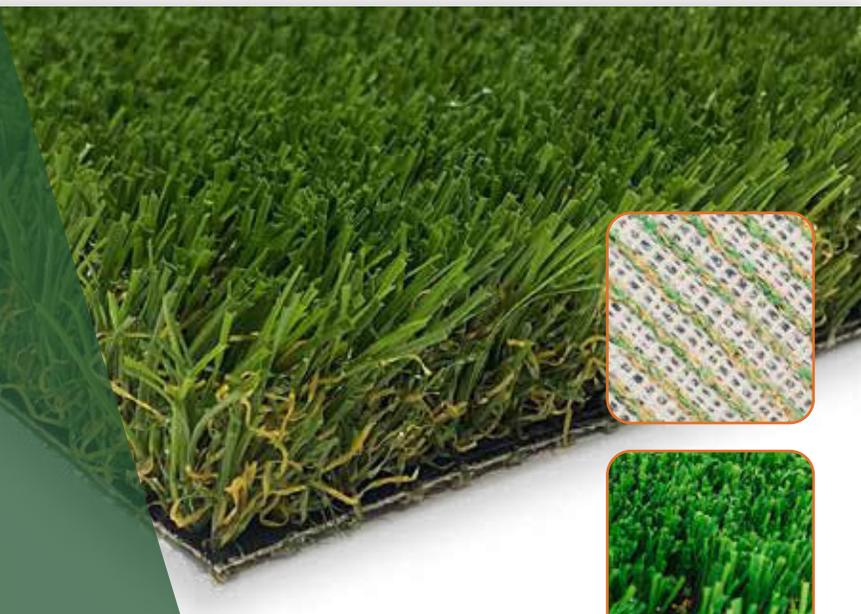

Durable

Our specially formulated turf options feature premium manufacturing materials for superior looks and increased longevity.
