

Natural Pet & Play

Expertly designed and engineered for pet areas, kennel, golf and landscape applications.

About Natural Pet & Play

Pet and Play is the best-seller among families with children and pets. This turf features a strong, silky quality with shorter, full-body fibers, making it very popular in high traffic areas and easy removal of dog waste.

Pet and Play stays lush and green year-round due to the low maintenance and durability it provides. Quit fighting the dirt, mud, and weeds, and spend more time doing the things you enjoy.

100% Safe

Our turf is made without harmful chemicals, making it perfectly risk-free for pets and kids.

Low Maintenance

Does not require chemical treatments or fertilizers to maintain its health.

Durable

Our specially formulated turf options feature premium manufacturing materials for superior looks and increased longevity.
